Document ID	HR-03
Version	2.4

Applies to	All permanent employees (confirmed and on probation) of Northbridge Dynamics Pvt. Ltd. at Gurugram, Pune and Bengaluru, unless a section says otherwise

1. Purpose

This policy sets out working hours, how attendance is recorded, and the hybrid work model, so that employees have flexibility and teams have predictable time together.

2. Working Week and Hours

- Working days are Monday to Friday. Saturday and Sunday are weekly offs.
- The standard working day is 9 hours including a 1-hour break, which means 8 hours of work.
- **Flexible login window:** 8:30 AM to 10:30 AM. Your day ends 9 hours after you log in.
- **Core hours:** 10:30 AM to 4:30 PM. Employees are expected to be available for meetings and collaboration during core hours.
- 24x7 operations and support teams work in rotating shifts (morning, evening, night) as published by their manager at least 7 days in advance. Such teams may have a Saturday or Sunday working day with a weekly off on another day.

3. Recording Attendance

- In the office, attendance is recorded through the access card at the entrance.
- On work-from-home days, check in and check out on the Northbridge People portal.
- On business travel or at a client site, attendance is marked as present based on the approved travel or client-site request.

4. Full Day, Half Day and Absence

Hours worked in a day	Attendance status
8 hours or more	Full day present
4 hours or more but less than 8 hours	Half day present; the other half is deducted from leave
Less than 4 hours	Absent for the day (leave or Loss of Pay)

5. Late Marks

- A login after 10:30 AM and up to 11:00 AM is a **late mark**. A login after 11:00 AM is treated as a half day unless the manager approves it.
- Up to 2 late marks per calendar month have no impact.
- On the 3rd late mark in a month, half a day of Casual Leave is deducted. For every further 3 late marks in the same month, another half day is deducted. If CL is not available, Earned Leave is used; if no leave is available, it is Loss of Pay.
- Approved late arrival (for example, medical appointment or travel disruption informed in advance) is not counted as a late mark.

6. Attendance Regularisation

- If you forget to mark attendance or the access card system fails, submit a regularisation request on the portal within 3 working days.
- A maximum of 3 regularisation requests per month are allowed. More than that need HRBP approval.
- Regularisation requests are approved by the reporting manager. The payroll cut-off for attendance is the 22nd of every month.

7. Hybrid Work Model

- Employees are expected to work from the office **at least 3 days a week**.
- **Anchor days** are Tuesday, Wednesday and Thursday. At least 2 of the 3 office days must be anchor days, so teams can meet in person.
- Roles that require on-site presence (for example, IT infrastructure, facilities, hardware labs) follow the schedule set by their department head.
- Employees on probation are expected to be in the office 4 days a week for the first 3 months to support learning, unless the manager approves otherwise.

7.1 Additional work from home

- Each employee can take up to **12 additional work-from-home days per year** on top of the hybrid schedule. Apply on the portal at least 1 working day in advance; the manager approves.
- Work from home on a day of an approved sick leave is not allowed. Use SL instead.

7.2 Work from another city

Up to **10 working days per year** can be worked from another city in India, with the manager and HRBP approval at least 5 working days in advance. Work from another country is not allowed without written approval from the Head of HR because of tax, legal and data security rules.

7.3 Home-office expectations

- Be reachable on chat and phone during core hours.
- Use a secure internet connection and the Company VPN, and do not work from public Wi-Fi without VPN.
- Keep your camera on for team meetings unless there is a bandwidth problem.

8. Overtime and Late Sitting

- There is no overtime pay for bands B3 and above.

- For bands B1 and B2, work beyond the standard day or on a weekly off with prior written approval earns comp-off as per HR-02 Section 12.
- Cab drop is available for employees working beyond 8:00 PM with prior approval (see HR-01).

9. Absenteeism

Repeated unplanned absence, frequent late marks or absence without information are dealt with under HR-10. Absence for 5 or more consecutive working days without information is treated as abandonment of service (HR-11).
